

Level 4 lockdown

Here's what is not allowed under South Africa's level 4 Covid-19 restrictions.

WHAT'S NOT ALLOWED

If you don't have a permit you must stay home from 8pm to 5am.

No crowds or night vigils are allowed. Hygiene precautions must be strictly adhered to.

No travelling between provinces except under exceptional circumstances. Borders remain closed.

Recreational visits are not allowed.

Alcohol is not allowed

Taking this into account and health concerns, no cigarettes will be sold

Hairdressers will not be open

Hotels and guest houses are to remain closed. Accommodation will only be allowed for quarantine purposes.

Level 4 lockdown

Here's what is allowed under South Africa's level 4 Covid-19 restrictions.

WHAT'S ALLOWED

You can cycle, run and walk but it will have to be within your neighbourhood and within a 5km radius. It will also have to be between 6am and 9am.

Provisions will be made for South Africans returning home. They have to be quarantined for 14 days before going to their families or work.

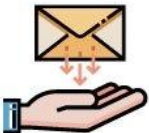

Close relatives will continue to be allowed to attend funerals.

Winter clothes will be allowed to be sold.

We are still encouraging people who can work from home to do so.

Postal and courier services will be permitted.

Public transport - In addition to taxis and e-hailing services, buses and rail will be opened under strict conditions.

All agricultural products will be allowed to be exported.
