RE: Affinity Health National Bargaining Council Private Security Sector Health Insurance

Welcome to the NBCPSS approved Health Insurance, administered by Affinity Health in accordance with the main collective agreement. We are excited to be partnering with the NBCPSS to offer your employees access to private healthcare. To ensure that your employees are registered and are able to access their health benefits, Affinity Health has undertaken to work closely with yourselves. We understand that each employer has protocols that we would like to incorporate in the implementation phase and ongoing monthly membership process. The information contained in this letter focuses on the implementation and sign-up phase for your employees.

Your company will be given access to the NBCPSS Health Insurance online portal, which allows Employers access to all aspects of their membership information.

Affinity Health has a dedicated Employer Support Team that will be assisting you in joining the Health Insurance. The consultant assigned to your company will be contacting you shortly to work through the information that is required for the implementation phase and if there are any protocols we need to factor into the implementation. Included in this letter are some important documents that require your attention:

- Implementation Phase Rollout (Phase 1)
- Employer Registration document
- Member Schedule – Import Template (CSV parameters)
- Premium Payment Information (Phase 2)
- NBCPSS Health Insurance – Summary of Benefits.
- Affinity Health SARS Code for Premiums (Fringe Benefit Code 3801)

Employee education and product awareness training will take place with your employees over the next few weeks. Further information will be sent to you shortly.
